# Depuratum: ideal to eliminate toxins and effectively counteract oxidation.

### Real Body Cleansing comes from within.

 $\square$ 

Depuratum line by Erba Vita enables body purification and detoxification: the best possible choice to support both the natural and physiological function of the liver.

To achieve the desired state of wellness it is necessary the intake of suitable food and substances, as well as the elimination of those toxins impairing normal liver, kidney, intestine and skin functions, thus restoring a proper general balance.
