## A PRODUCT BASED ON ACUTEINA AND ACE VITAMINS FOR AN EFFECTIVENESS THAT CAN BE SEEN WITH NAKED EYE.

ACUTEINA® a unique blend carefully dosed consisting of:

### DHA ed EPA from fish oil

- They help protecting the eyes from ocular alterations and dry eye syndrome
- DHA, the main component of the retina, is essential for optimal vision

### Blueberry berries dry extract

- Improves the function of the retina and the eye adaptability to changing light.
- Strengthens the walls of blood vessels, helping to prevent micro-haemorrhages, particularly dangerous for retinal blood supply.

### Lutein and Zeaxanthin

- They have antioxidant function, counteracting the action of free radicals and preventing the consequent damage.
- They act as natural filters, absorbing the most dangerous light radiation and protecting the eye from the photo-induced oxidative stress.

ACE vitaminic complex:

### Vitamin A

- Strong antioxidant, plays a key role in the synthesis of rhodopsin (light-sensitive visual pigment) and thus for the proper functioning of the view.

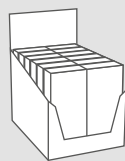

### Vitamin C

- Reduces the risk of cataracts.
- Slows down the eye degenerative phenomena, especially related to aging.

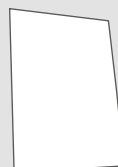

### Vitamin E

- Defends against oxidative processes responsible for the so called 'opacity disorders' (cataracts, clouding of the lens opacity etc.).
